

The background is a solid blue color. Overlaid on this are several yellow geometric shapes. In the top right, there is a large yellow shape with a rounded corner and a vertical line. On the left side, there is a yellow shape with a diagonal cut. In the center, there is a yellow shape with a stepped, staircase-like profile. At the bottom left, there is a small yellow square with a rounded corner. The text 'EDL' is positioned in the upper left area, 'LAMINATE COLLECTION' is in the center, and '2024/25' is on the right side.

EDL MODULE

EDL Module is our collection of high integrity, non-flammable melamine boards. EDL Module are made for walls, combining excellent durability with convenience and ease of application.

EDL MODULE+

Module+ has all the key features of Module – with added protection for wet areas.

Available with complementary joint accessories.

FEATURES

Non-flammable | Lightweight | Anti-bacterial | Easy to maintain | Fire rating class 0

Resistant to Impact | Water | Scratches & abrasions

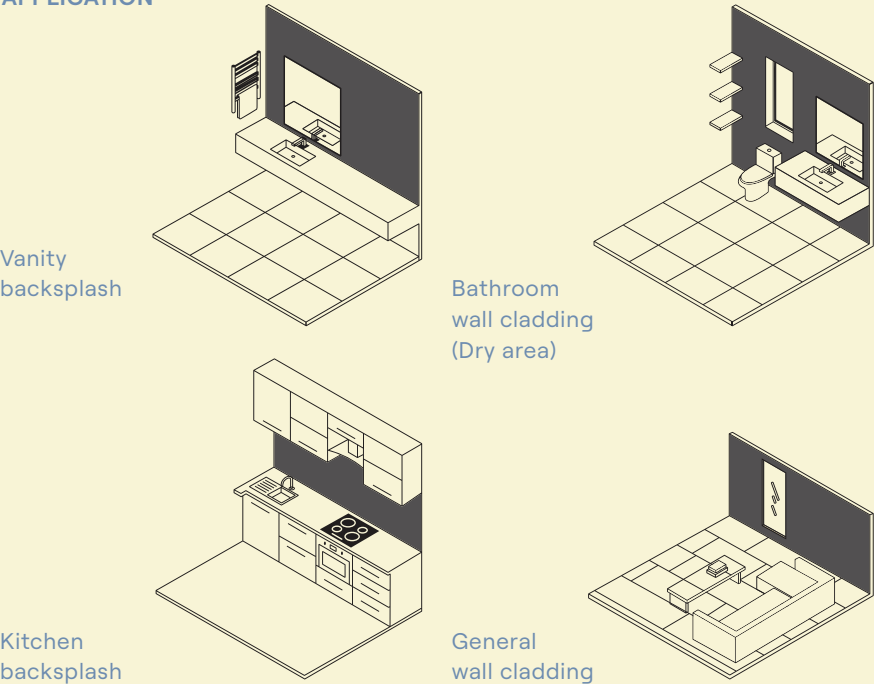

SIZE

3' x 8' x 3.0mm

Look for the  legend.

APPLICATION

OVERLAY | KITCHEN BACKSPLASH APPLICATION

Module panels are made for hassle free installation on both new and existing walls, it can be overlaid without the need for hacking.

VIEFE®

Rail 0511

Designer handles, knobs and wall hooks from Spain

As part of the brand's effort to expand our material categories, we have partnered Spanish brand Viefe – an innovative manufacturer of designer accessories. Behind each collection is a collaboration with designers from around the world, bringing with them different and daring perspectives.

HANDLE & KNOBS

The collection strives to create personality using accessories whilst projecting a unique, yet plural aesthetic style.

Now available in long handles for doors. After a meticulous development process, we are excited to present handles designed for entrances, sliding doors, and large cupboards.

Duo Big 0670

Jey 0127

A RECESSED AGENDA

Modern, sleek and unapologetically luxurious, Viefe’s collection of recessed handles can as discreet or as bold as you prefer.

WALL HOOKS

Complementary accessories to the handles, these hooks add image and functionality to your walls.

Luv 7018

DOOR STOPPERS

Protective yet surprising, these new door stoppers add style while preventing impacts. Designed to be seen, they transform your floor into harmonious points of design.

Arpa 8011

FINISHES LIBRARY

01.1 Fine Matt

An ultra fine surface – a functional finish that does not compromise on texture.

01.2 Textured

A standard, functional finish with a warm, organic touch.

01.3 Nuance

A pastel coloured collection that feels like velvet. Made in Japan.

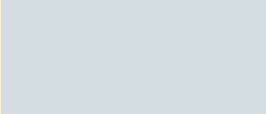

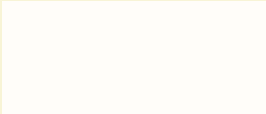

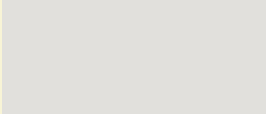

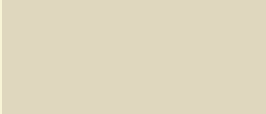

01.4 PianoGloss®

A legacy collection, PianoGloss is a high gloss reflective finish with optimum gloss to stability ratio, providing the perfect balance of form and function.

COLOUR CORE

03 WOOD

03.5 Natural Matt

A finish which pays homage to the irregularities of wood. Natural tones are paired with deep textures, making it authentic to touch.

03.6 Aleppo

An ultra-fine embossed texture which creates a matt look and a soft, subtle feel.

03.7 Legno

Modern and understated, Legno presents a matt and powdery finish, layered with a debossed texture.

03.8 Super Matt

Rough to the touch, Super Matt is a dry, tactile surface that features zero reflection.

06 APTICO

PRODUCT INFORMATION

APPLICATION

Suited for both horizontal and vertical applications, Aptico is an ideal material for a vast array of interior projects.

Size : 2800 x 1300 x 1.0mm

FEATURES

Anti-fingerprint

Extremely matt surface

Soft texture

Thermal repair of micro-abrasions

Easy to clean

Scratch resistant

Heat resistant

Easy to process

Abrasion resistant

Impact resistant

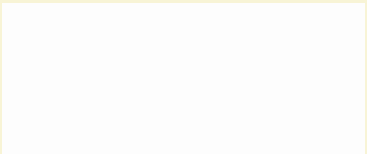

Durable

Standard Grade Only | 2800 x 1300 x 1.0mm

Made in Europe |  Anti-fingerprint

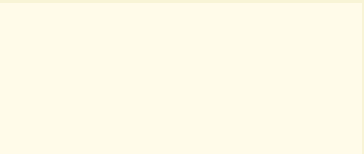

APTICO

Beautiful spaces start with beautiful materials. Key to our ethos is an understanding of the emotional connection between designer and creation. Guided by our dedication to supporting their creative journey, we craft explorative and highly tactile materials that look good – and feel even better.
