

# [E]\_ MODULE

Edition 2

PAN-EAT / \°——|

Made in Japan

# Lightweight, High-Performance Wall Solution

EDL Module is our collection of high integrity non-flammable melamine boards. Made for walls, EDL Module combines excellent durability with convenience and ease of application.

## Applications ↓

<sup>1</sup> Kitchen backsplash

<sup>2</sup> Bathroom wall

<sup>3</sup> Shower wall

<sup>4</sup> Lift lobby

<sup>5</sup> Lift interior

<sup>6</sup> Hospital

<sup>7</sup> School

<sup>8</sup> Restaurant

## Quick and Easy Installation

EDL Module can be installed directly over both new and existing walls, without the need for hacking. Its large format and lightweight design offers a hassle-free experience, making it easier to plan, fabricate, and install compared to traditional tiles. The reduced joins not only enhance aesthetics but also simplify maintenance and improve hygiene.

## High Surface Performance, Low Maintenance

Designed with high-performance properties, EDL Module is suitable for walls around water, heat and stains.

In the kitchen, stubborn oil stains are easy to clean without the concern of grout stains.
