Beautiful spaces start with beautiful materials. Key to our ethos is an understanding of the emotional connection between designer and creation.

Guided by our dedication to supporting their creative journey, we craft explorative and highly tactile materials that look good – and feel even better.

Laminate

Our core collection - quality driven high pressure decorative sheets for interior design.

Edge

Colour matched edgebands made to seamlessly seal laminate edges.

Module

High integrity, non-flammable wall panels made in Japan.

Compact

Innovative and structured panels for modern worktops.

Viefe®

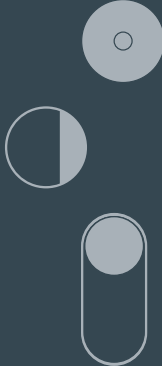

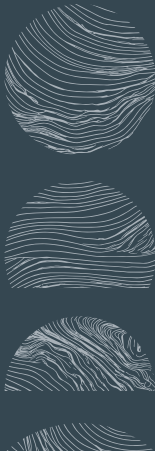

Designer handles, hooks, door stoppers, and locksets from Spain.

We are EDL

Headquartered in Singapore, EDL started with a mission to provide design centric and quality driven materials for interior designers and architects.

EDL Gallery,
across borders

Three galleries, one shared DNA.

Our material galleries are experiential playgrounds for dreamers and creators. Each EDL Gallery is shaped in collaboration with a local designer, translating our materials through the cultural context of its city. More than showrooms, these immersive spaces bring our complete surfacing ecosystem to life – designed to inspire and inform both designers and homeowners.

UniSurface

Standard Grade
4' x 8' x 0.8mm

UniSurface is defined by solid, uniform tones offered across three finishes: two wood textures – sandblasted and ash – and a linear finish.

Free from visible grain variation, the surfaces read calm and controlled, allowing tone and finish to take precedence over pattern.

Tailor Oak

Standard Grade
4' x 8' x 0.8mm

Tailor Oak is transformable, versatile and modern in its interpretation. Minimalistic stripes flow gently into one another and create a restrained play of colours.

Calm in presence, it works comfortably at both large and small scales, pairing naturally with colour, stone, or metal within contemporary interiors.

Clay

Standard / Postform
4' x 8' x 0.8mm

Clay Blush **NEW**
DH 1260QT

Clay is defined by fine, irregular brushstrokes applied both vertically and horizontally. The texture references clay and plaster applications, interpreted in a restrained, contemporary manner.

Warm in tone yet neutral in expression, the decor provides a composed backdrop that supports a wide range of interior contexts.

Universal Pewter **NEW**
DH 1302QT

Universal Sand **NEW**
DH 1301QT

Universal Earth **NEW**
DH 1303QT

The renewed interest in recycled and composite surfaces has brought terrazzo back into contemporary architectural language. Universal interprets this through a refined composition of small fragments that reveal themselves gradually, creating texture and depth without visual noise and lending itself naturally to enduring interiors.

Brushed surfaces crafted with real metal, resolved in a soft matt finish. Reduced reflectivity tempers the linear grain, giving the surface a controlled architectural presence.

Luna Mirror

Standard Grade
4' x 8' x 1.5mm

Polished mirror surface with a calibrated ripple effect. Reflection is subtly modulated to create composed visual depth.
